

## **INSTRUCTIONS:**

Must be played on 2 courses

**CRIERS (THROW OUT  
TWO WORST HOLES)  
INDIVIDUAL PLAY  
LOW NET ONLY  
RINGERS**

## **INDIVIDUAL PLAY FORMAT**

Scorecards do not need to be stroked.

Captains will prepare 2 scorecards with names, CGC numbers and handicaps. Captains will place each player's handicap in the "HCP" (handicap) column on the scorecard. Handicap cannot be greater than 27 even for those players who may have a higher handicap on the Pairings Sheet.

Captains collect \$2.25 from each player. Two players keep score. Captains will remind their team to be aware of "pace of play". At the end of the round, the Captain will turn in one scorecard, signed and attested, plus the money to the Scorers.

Each player should keep their own total score so that it can be entered into the GHIN system at the end of the round.

All Players pick up after 10 strokes

To calculate scores, first cross out the two worst holes. Then add up the remaining 7 holes and put that number in the TOT Column.

Next, subtract handicap and place the total in the NET column.

The 2 highest net scores in each flight and on each course will win the prize money.
