

**THE CAPTAINS GOLF COURSE
9 HOLE WOMEN'S ASSOCIATION**

RULES FOR NEW MEMBERSHIP

You must be a member of the Captains Golf Course (twilight membership is not eligible for league play since we play in the morning) and have an established GHIN Handicap. Instructions for establishing a GHIN handicap can be found on our website - www.CGC9holers.com

Note: if you have a GHIN in a state other than MA, please indicate on application / if setting up a GHIN in MA, indicate Captains is your home course

You must have the equivalent of a 9 hole handicap of 27 or below after playing ten (10) rounds of golf. (A 9 hole handicap of 27 is the equivalent of a GHIN index of 52 for 18 holes).

The ten rounds can have been played either at the Captains or another course. Each round should be entered into the online GHIN system (www.ghin.com) or through the GHIN app, which is available for your phone. Eighteen (18) hole scores should be entered as two nine hole scores (front 9 and back 9) wherever possible when establishing your eligibility for the league.

Once you have completed all of the requirements of membership – submission of the New Member application, paid membership fee and the establishment of your handicap - you will be eligible to play in the 9 Hole weekly tournaments. Please send the completed application and membership fee to **Cindy Davey, President**, whose address and phone number are printed on the application.

If you have any questions or require more information about the League, please contact **Deb Vierra, Vice President**, at 508-367-8958 or dvierra57@comcast.net.

We look forward to playing with you!
