Communications. Anne O'Connell encouraged the membership to email her with any important news during the off season. She reminded members to email someone directly not the cgc9holer email if they want to communicate directly with that person.

Golf Commission. Anne O'Connell reported that the Golf Commission will be holding their 2nd "Tee Time with the Golf Commission". It is a one-hour session to sit down with a couple of golf commissioners and our Director of Operations and give them your suggestions and/or pose questions. The next major project will be replacing the maintenance facility. Work will be done from Fall 26 into Spring 27.

Pairings. Joanne Cirincione reported on why they use the Golf Genius software system and the usefulness in setting up the pairings each week with diverse handicaps. They are mix/matching more with our new members. She reminded members to sign-up immediately on Sunday when you receive the email; it is easier to cancel and easier on the Pairings Committee to do their work each week. Pairings Committee is looking for another member!

Scoring: Margaret Litavis, thanked her 8 committee members for a smooth season.

Website: Cindy Davey reported for Susan Sorrento. Susan asked that members send her pictures of winter golf as well as any ideas for the website in general. There was overwhelming positivity for Susan's redesign!

Sunshine: Kathleen Barry encouraged members to send her any news of members who would need a little extra "sunshine" and support from our league. She sends those members cards and notes.
