

THE CAPTAINS GOLF COURSE  
9 HOLE WOMEN'S ASSOCIATION

RULES FOR NEW MEMBERSHIP

You must be a member of the Captains Golf Course.

You must have an established GHIN 9 hole handicap at Captains of 27 or below. If you have a GHIN handicap from another course, you will be able to easily establish one at Captains.

If you need to establish a handicap, here are the steps needed:

- Sign up through the pro shop to get your GHIN number;
- Start golfing;
- Enter your scores. Your handicap will be created after playing ten (10) rounds of golf.

The ten rounds can have been played either at the Captains or another course. If played at Captains, each round should be entered into the computer at the clubhouse or through the GHIN system online. 18 hole scores played at Captains should be entered as two 9 hole scores (front 9 and back 9).

If you have played at another course you must have an **ESTABLISHED GHIN** handicap of 27 or below for a 9 hole round.

Once you have completed your ten rounds and have your handicap established, please print and fill out the "NEW MEMBER FORM" and send it with a check to us at the address on the form. **Please do not leave it at the pro shop.**

If you have any questions, please contact Rita Nelson, League Vice President at 508-896-9366 or [ranelson100@comcast.net](mailto:ranelson100@comcast.net)
