

**INSTRUCTIONS:**

**CRIERS (THROW OUT  
TWO WORST HOLES)**

**(LN Only)  
RINGERS**

### **INDIVIDUAL PLAY FORMAT**

Scorecards do not need to be stroked.

Captains will place each player's handicap in the "HCP" (handicap) column on the scorecard. Handicap cannot be greater than 27.

Captains collect \$2.25 from each player. Two players keep score. Captains will remind their team to be aware of "pace of play".  
Players pick up after 10 strokes

To calculate scores, first cross out the two worst holes. Then add up the remaining 7 holes and put that number in the TOT Column.

Next, subtract handicap and place the total in the NET column.
