

HOW LOW CAN YOU GO NO PUTTS

INSTRUCTIONS: TEAM PLAY (NO RINGERS)

1. Captains should stroke scorecard using handicaps according to degree of handicap of each hole. Maximum of 3 strokes off any one hole. Remember to put no more than 27 handicap on scorecard for those players who may have a higher handicap on the Pairings sheet.
2. Captains collect \$2.00 (no chip-ins or birdies today) before playing. Two players keep score. Best net ball of the four is team score. Players announce number of strokes when you reach the green. THAT IS YOUR GROSS SCORE FOR THE HOLE. No putting, move to the next hole. Captains mark score cards when you reach the next tee box. With only three players, subtract 1 point from total team score before turning it in to the scorers.
3. Players pick up after 10 strokes.
4. It is possible to have a negative score.
5. Scores DO NOT go into the GHIN system
