

FORMAT: SCRAMBLE - TEAM PLAY

~ NO RINGERS

INSTRUCTIONS:

1. Captains prepare two cards with player's names and CGC numbers.
 - a. Cards do not need to be stroked
 - b. Start and finish times, along with elapsed time for the round should also be noted on cards
2. Captains collect \$2.25 from each player before playing, reminding all to be aware of "pace of play".
3. Captain and Co-Captain keep score. All team players names are listed on the card, however only the TEAM score for each hole is recorded on the card. As this is best ball, there will be no individual scores.
4. In this format: Each player hits from the tee, the best shot is selected. The player whose ball is selected does not hit their next shot from this spot, all other players do. This continues until the ball is on the green, where everyone will putt using the best ball until the ball is in the hole (DO NOT USE CONTINUOUS PUTTING).
5. Each player must have at least two drives. Place a "D" on each hole indicating which player's drive was used.
 - a. Individuals playing from the Forward/Family Tees are limited to two drives.
6. Teams with only three players will subtract one stroke from their total Team score.
7. Players' individual scores are **NOT** to be entered into the GHIN system.
