

Lets Build with HousePro

1.Site Meeting

Site meeting to answer any questions and concerns, review your block and site conditions.

2.Choose one of our home designs or a custom plan

At HousePro we encourage you to customise your plan whether its a complete new plan from a sketch up you've drawn or some small changes to one of our plans. At this stage we will give you a rough price guide.

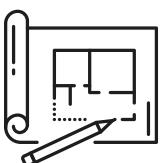

3.Permission to proceed

A permission to proceed will be sent to you via Docu Sign. Once completed we will also require a copy of your drivers licence, proof of Land ownership and a pre-approval letter from your lender.

4.Preliminary Quote

After receiving a deposit HousePro will undertake planning, soil testing, a contour survey and Engineering

5.Plan Preparation

HousePro will guide you through the plan process and help you achieve the best possible home on your block.

6.Final Stages of Planning

You are now in the final stages of planning and colour selections. Once colours and upgrades have been selected you will now receive your final price.

7.Start Construction

Once we receive permission from your bank, we will now start construction on your new home!

8.Through The Build

Throughout the build HousePro will be easy to contact and most times found on site.

9.Completion

After 14-16 weeks of construction your new home is complete.

10.Handover

HousePro offers what most others can't, Brad & Clay (owners) will be your contact throughout the whole process.

Warranty

HousePro offers a 6 year structural warranty on the home and a 12 month inspection will be arranged to fix any minor defect that may have surfaced as your home settles.
