Rosewalls did the decor for our event at Alibaug and they totally nailed the brief. They were prompt to respond, took time to understand our requirements, gave great suggestions, had amazing ideas and most importantly did everything with professionalism and a smile. The venue looked totally gorgeous. They have a great team who worked hard to make our event a success. We wish luck to this young team! If you are looking for a great company to do the decor for your big event, Rosewalls would be a superb choice!

TOTE ON THE TURF

I know from the day I met them that twinkle and Ritik will be doing the decor on my wedding day. They completely understood the brief that me and pritam gave. They understood our idea of minimal and easily adapted to our style. They were so understanding during the whole COVID changes that we had to face and managed it with ease. We trusted them completely from the minute we had our design set and we didn't have to look back.

They did a fabulous job. They made our day absolutely memorable. The venue looked stunning. I would highly recommend them for any events that you would be going for. They are the warmest and sweetest people to work with and will guide you to what would work and not work. It was a lovely time knowing and planning and the end result spoke highly of their caliber. We wish them all the luck ♥
