OUR SERVICES

EXPORT

We connect your products to high value markets across a sea of regulations and policy changes that are volatile, while reaching its destination on time. For every exporter and importer, the product Established in 2023, we as sourcing agents handle 25+ products of FMCG products both achieves its purpose only when it reaches its destination. We at Triden provide services with that vision on our mind.

PRODUCT SOURCING

We will be assessing, selecting, and managing suppliers to acquire the desired goods and services from them.

MARKET ANALYSIS

We analyses the dynamics in an expanding market within the industry. It is part of the industry analysis and thus in turn of the global environmental analysis. Through all of these analyses the strengths, weaknesses, opportunities and threats of a company can be identified.
