"Bringing Jesus to Everyone and Everyone to Jesus!"

ANSWERS TO SOME QUESTIONS

RESPUESTAS A ALGUNAS PREGUNTAS

At the beginning of the new fiscal year this month of July, I would like to shed some light to some things that pertain to our parish today. This is in response to some questions or comments that have been submitted to me over the past few months. Thank you for those questions, and I hope that this officially helps set the records straight for those who are wondering.

QUESTION: Are we still making plans to convert the Settles Center into our new church building?

ANSWER: As many of you know, we have indeed made plans to bring this project to fruition. With the blessing and encouragement of Bishop Conlon, we did some feasibility studies and worked with an architectural firm to establish the design for the project. We have also done liturgical consultation, in order to make sure that the plan is according to the standards of the diocese. And so, today, we have a full plan for the conversion, which was displayed in the gym at one time. BUT, given the financial stress that we have gone through this year, I wanted to make sure that we are not adding another financial strain, so we have focused on stabilizing our financials first. Although I was very enthusiastic to make it happen, I have to be resigned that the fundraising effort to realize this plan will take longer than my time here in Kankakee. I can imagine that we can begin raising funds for the project this fiscal year, and let our parishioners dictate the pace of its development. In other words, YES, the plans for the new building are still on and ongoing.

QUESTION: If we were going through some financial crisis, why is it that we are seeing things being purchased that can be deferred, or small projects that are not necessary, like the lights and the wall painting?

ANSWER: First of all, if we are going to be a healthy community, our people need to trust that the decisions we are making as a parish are prudent and wise. Please know that whatever projects we may have accomplished, no money was spent from the parish funds. Also, if it is not that, it is most likely urgent, or helpful for saving. We did change the bulbs in most of our facilities, but this change will actually save the parish so much more in just a few months. We made the calculations, and we are certain that we will save a lot of money by changing the lights to energy efficient ones, especially those in the Settles Center.

QUESTION: Any update about St. Rose?

ANSWER: From my end, none. I have not been invited to any conversations regarding the chapel, but I know that the Association for the Preservation of St. Rose of Lima Chapel has been working directly with the diocese, and there is optimism that the property will soon be deeded to them. As far as actual dates and schedule, I have no idea.

QUESTION: Are you having a good time with your mom?

ANSWER: Thank you, yes! As you know, these are rare moments. My mom and I are living at St. Teresa Rectory for the time that she is here. She is spending time gardening, and catching up with people, and meeting new parishioners. She returns to the Philippines by the end of September. Meanwhile, we are leaving for a pilgrimage to Poland, Hungary, Austria, Slovak Republic and the Czech Republic until August 5. We will be praying for our parish during our holy journey.

My dear parishioners, may these summer months bring opportunities not only for rest, but also for joyful and blessed fellowship with your family and friends. God bless our parish!

Ad multos annos!

Fr. Sunny Castillo

A principios de este nuevo año fiscal en este mes de Julio, me gustaría aclarar algunas cosas pertinentes a nuestra parroquia. Esto es en respuesta a algunas preguntas o comentarios que se me han encomendado hace unos meses. Gracias por esas preguntas, espero que esto ponga los cosas en claro para los interesados.

PREGUNTA: ¿Todavía estamos haciendo planes en convertir el Centro Settles en nuestra nueva iglesia?

RESPUESTA: Como lo saben muchos, ya tenemos planes para realizar este proyecto. Con la bendición y estímulo del Obispo Conlon, hemos hecho estudios y trabajado con una compañía de arquitectos para diseñar el proyecto. También hemos tomado consulta litúrgica, para así asegurarnos que el plan vaya de acuerdo con las normas diocesanas. Así es que, ya tenemos el plan completo para la conversión, que pusimos en exhibición en el gimnasio hace tiempo. PERO, por la tensión financiera que hemos pasado este año, quería asegurarme de no agregar otro dilema financiero, así que estamos enfocados en estabilizar nuestras finanzas primero. Aunque estaba muy entusiasmado en ver que esto se realizara, tengo que resignarme en que los esfuerzos en recaudar fondos llevará más tiempo que mi estancia aquí en Kankakee. Me imagino que podemos comenzar a recaudar fondos para el proyecto en este año fiscal, y dejar a nuestros feligreses disponga el paso de su desarrollo. En otras palabras, Sí, los planes para el nuevo edificio están en marcha.

PREGUNTA: Si estamos pasando por una crisis financiera, ¿porqué vemos cosas nuevas que se pueden poner aplazo para comprar, o cosas pequeñas que no son necesarias, como las luces y el pintar de la pared?

RESPUESTA: Primeramente, si vamos a ser una comunidad vigorosa, necesitamos tener confianza que las decisiones que hacemos como parroquia son prudentes y sabias. Favor de reconocer que los proyectos que hemos realizado, los gastos no vienen del dinero parroquial. Y, si no es eso, quizá sea urgente, o para ayuda de ahorros. Sí, hemos cambiado los focos en la mayoría de nuestros edificios, pero este cambio actualmente ahorrará dinero para la parroquia en unos pocos meses. Hemos hecho los cálculos, y estamos seguros que vamos a ahorrar bastante dinero al cambiar los focos a focos de energía más eficiente, especialmente las del Centro Settles.

PREGUNTA: Hasta la fecha, ¿Qué sabemos de Sta. Rosa?

RESPUESTA: Desde aquí, nada. No me han invitado a ninguna conversación acerca de la capilla, pero sé que la Asociación para la Preservación de la Capilla Sta. Rosa de Lima está trabajando directamente con la diócesis, y hay optimismo que la propiedad pronto será de ellos. Pero acerca de fechas o planes, no tengo idea.

PREGUNTA: ¿Está pasando buen tiempo con su mamá?

RESPUESTA: ¡Sí, gracias! Como ustedes saben, estos son momentos excepcionales. Mi mamá y yo estamos viviendo en la Rectoría Sta. Teresa durante su estancia aquí. Ella pasa tiempo trabajando en el jardín, poniéndose al día los conocidos, y conociendo nuevos feligreses. Ella regresará las Filipinas el fin de Septiembre. Entre tanto, vamos a salir en peregrinación a Poland, Hungary, Austria, Slovak Republic y Czech Republic hasta Agosto 5. Estaremos orando por nuestra parroquia durante nuestra jornada santa.

Mis queridos feligreses, que sus meses de verano les brindan oportunidades no solo de descanso, pero también amistad santa con sus familias y amistades. ¡Que Dios bendiga nuestra parroquia!

¡Ad multos annos!

ALL LIFE DESERVES RESPECT, DIGNITY, AND COMPASSION. ALL LIFE.

July 21, 2019

"As a mom who had my first baby in college, I know that an unexpected pregnancy can sometimes bring fear, shame, and doubt. However, I also know that an unexpected pregnancy can bring joy, excitement, awe, gratitude, and deeper love than I knew was possible-not to mention the little bundle who inspires these sentiments!"
USCCB Secretariat of Pro-Life Activities

"Como madre que tuvo su primer bebé cuando era universitaria, sé que un embarazo inesperado a veces puede generar temor, vergüenza y dudas. Sin embargo, también sé que embarazo inesperado puede ser la ocasión de alegría, emoción, asombro, gratitud y un amor más profundo de lo que yo pensaba que era possible, ¡sin mencionar al pequeño retoño que inspira estos sentimientos!"
Secretariado de Actividades Pro-Vida de la USCCB

A grateful heart shifts focus from ourselves to other people and circumstances as we humbly acknowledge their contribution to our lives. Despite the way it makes us feel, gratitude is not an emotion, it is a learned discipline. You can give yourself this gift by choosing to become mindful of your day-to-day experiences and understanding how the littlest of things can create moments of sheer joy.
