## Director's Deduction Update on Virtual Show

In my usual style, I left out some information about the Virtual Show, so here's an update that hopefully doesn't cause more questions than answers.

1. Day of the event, June 20th at 8:00 A.M. CST. Entries need to be posted asap so you won't be overlooked by posting late.
2. It is a Facebook event, you will post your pictures there. If you are not a Facebook user, send me your pictures (suggested views below) and I will post them when I open the event.
3. There is no charge for the event.
4. It would be easier to post if you use an app like Pic Stitch that combines up to 6 pictures into one image. The suggested views below is a Pic Stitch creation. Thanks Brian Bush for the suggestion.
5. Winners will be announced approximately 4:00 PM CST. There will be a 1st, 2nd & 3rd place for each category, a Best of Show, Board of Directors choice, and Directors Choice. A downloadable certificate will be made for each winner. You will mention what category(s) you want to enter when you post your pictures (write something). The categories are:
  - 1st Generation (1964-1/2 -1973)
  - 2nd Generation (1974-1978)
  - 3rd Generation (1979-1993)
  - 4th Generation (1994-2004)
  - 5th Generation (2004-2014)
  - 6th Generation (2015-2017)
  - Modified
  - Survivor or Unrestored
6. Voting will be: A "Like" is a vote for 1st, 2nd & 3rd place. A "Love" (Heart) is a vote for Best of Show, and the BOD will email me their choice.
7. An Virtual Show edition of The Six Banger will show the winners and pictures of each Generation.

### Suggestions for required views

Brian Bush suggested the Pic Stitch App to stitch up to six pictures together.
