### Mustangs In Motown Canceled

Just a quick note to say that the Board of Directors and I have decided that it is best to cancel our National Show this year. We will start work on putting next years show together, hopefully in the same place and around the same time. While we would have our “safe distance” parked at the show, we don’t feel you need to be put at risk coming to the show and returning home.

Those of you who have already registered, I will be refunding your fees soon. Those of you who have already booked a hotel room, you will need to cancel your reservation.

For those whom had graciously agreed to sponsored us, Thank you for supporting M6A. We hope you will consider us next year, I know we will love to partner with you.
