PROUDLY MANUFACTURING WASTE
HANDLING EQUIPMENT

211 BROOKSIDE RD WATERBURY, CT 06708

Call: 203-456-8811 or

Fax: 475-235-6149

Introducing the Northeast's top-tier manufacturer of waste handling equipment! Though our name is fresh, we bring over 50 years of unparalleled experience in the waste industry. Trust us to deliver cutting-edge solutions infused with a legacy of expertise.

A notable example is our industry's distinctive design for self-contained compactors. By employing abrasive-resistant metal for the floors and ram floors, we create a magnetic charge that allows the ram to float above the compactor floor. This innovative approach significantly extends the lifespan of the compactor compared to other units in the industry. There is no labor-intensive guides or shoes to replace routinely. Experience our cross-cylinder design with extra heavy-duty cylinders penetrating 5" for maximum packing power.

We put our best effort in every build.

EliteContainerSales.com
