

Sunday Mass Report to discuss June's meeting.

Introduce yourself and thank Parishioners for their time.

The Parish Pastoral Council met last Tuesday.

Our main focus of the meeting was our upcoming Parish Council elections. We are looking to fill 6 vacancies. Please give some thought and prayerful consideration about this. You may nominate yourself as long as you can have your nomination supported by another Parishioner. It is a vitally important role. If we are to keep our Sacred Heart Parish vibrant, loving, meaningful, welcoming and following in Christ's footsteps, then we need your help! The Plenary Council will surely be a great focus of our Parish family in the months and years to come

We are calling on nominations **TODAY and NEXT WEEKEND.** Please complete this nomination form which can be found at the back of the Church **and place it in the box provided/hand it to a member of PPC: Mention names (wave?)**

VOTING WILL OCCUR ON THE WEEKENDS OF 23/24 JUNE and 30 June/1st JULY.

If you would like to chat about the role and what it entails, please make contact with one of your members.

We are looking forward to the Parish Brunch to be held after Mass on Sunday 17th June. Please join with us to celebrate our Sacred Heart Parish, remembering the Feast of the Sacred Heart. Please write your name on the sheet at the back of the Church if you are able to attend and please bring a small fruit platter to share.

We discussed our Parish website, which is very close to being officially launched. Please stay tuned. It's getting very exciting.

Our Reflection Day with John Angotti was a beautiful day. We have been able to look at ways to deepen our relationship with Christ and one another through the Liturgy of the Mass.

We also have a guest speaker Jess Hackett, an advocate for human rights and refugees coming to our Parish. She will present Give Welcome, Give Hope! on Sun 24th June and will lead a 1 hr presentation at SHK 11am.

Thank you. As always, please have a chat to one of your members if we can help you in any way.
