### Client Form For Engine Harness Requirements.

ECU flashing and immobiliser removal so suit your projects needs. We charge a basic of 140 to remove the immobiliser and an additional 140 to flash out any codes on the ECU like transmission etc. Can also change RPM limits etc. This form should be filled out and sent together with the ECU to one of the addresses below. We will inform you once received safely in the workshop.

Shipping address is:
