

Lexus V8 Engines LLC – Client Form

(Please read Pages 1 & 2 carefully and return only the pages that apply—Page 3 for a full harness/ECU service OR Page 4 for ECU-only service.)

Required Components for a Stand-Alone Engine Harness Service

- Main engine harness, starter motor, knock sensor harness
- ECU to test your system once modifications are complete
- If using a transfer case controlled via an actuator, the control unit must be supplied along with a pigtail
- Please ensure plastic covers on your harness remain intact
- Once the harness is complete, you will receive a video of the tested system and an invoice.
- Estimated Processing Time: typically 1–3 weeks

WIRING & ECU COST:

- Wiring harness service: \$590 (includes all wiring modifications)
- Immobilizer Removal: \$150
- ECU Flashing: \$150
- Air Injection Delete: \$150
- Transmission Wiring: \$100
- Transmission Case Wiring: \$90
- Throttle Response Tuning: \$100
- Connector replacement and additional connectors: \$5–10 per connector installed

SHIPPING GUIDELINES:

- Secure packaging to prevent damage during transit
- Print and place a copy of this form inside your shipment and provide a tracking number
- Lexus V8 Engines LLC is not responsible for lost or damaged shipments
- Customers cover all return shipping costs

SHIPPING ADDRESS:

UPS, FEDEX AND USPS: Lexus V8 Engines LLC #298

1133 Bal Harbor Blvd, Suite 1139, Punta Gorda, 33950 Florida USA

Terms & Conditions

By submitting this form, you acknowledge:

- Modifications will be made based on the details you provide.
- You accept the listed costs for services.
- A test-run video will be provided, verifying system functionality.
- Lexus V8 Engines LLC is not liable for issues arising after installation, as every setup is unique.
- No warranties are offered due to the technical nature of engine swaps and electronic components.

Payments & Fees

- Direct deposit or Zelle – No additional costs.
- PayPal or Direct Card Payment Link – 3.5% processing fee applies.
- Payment is due on receipt of the invoice.
- If payment is not made within 20 business days and no arrangements have been made, Lexus V8 Engines LLC reserves the right to sell the system to recover costs.
- As an alternative, customers may be subject to a late fee or interest charge for overdue payments.
- Warranty & Support Limitations Lexus V8 Engines LLC stands for the quality of our workmanship.
- If an issue arises due to our service, we will promptly repair it at no additional cost within our limited six-month warranty period.
- If the product has been tampered with, modified, or altered after delivery, the warranty is void.
- The warranty does not cover scenarios where the system is used beyond its design limits.
- Post-service support is available, but extensive diagnostics may require further evaluation at the customer's expense.
