

EDGE&TA Branch 13 Members, Families and Friends-

I hope that this message finds you all doing well. If you're like our family, we are eager and ready to have some fun sharing our tractors. I wanted to get out some information on upcoming events for the next few months.

But first an important reminder that at the Annual Meeting the membership voted to increase memberships dues. The new rates will go into effect on April 1st. The new rates are as follows: Primary Membership is now \$40, Auxiliary Memberships are \$32 and Dual Memberships are \$20. I will be sending out an updated form shortly.

Our first Branch 13 event is coming up on Saturday, April 5th. It is the Tractor Supply Engine & Tractor Show. It will be held at the Tractor Supply Store located at 10520 Twin Cities Rd, Galt, CA. (There is a flyer attached to this message) The store opens at 8:00am, so we are suggesting that you arrive earlier to set up. There will be coffee & Donuts available in the morning. For additional information you can contact Deacon VanDerostyne at richardvanderostyne@gmail.com or call him at (209) 810-5913. This should be a fun day sharing our passion for engines and tractors with the community.

Next, Branch 13 continues our long-standing tradition of participating in the Rio Linda Farm & Tractor Days. This year's event marks the 30th Anniversary. The fun runs May 16-17, 2025. As in the past we can begin setting up our displays on Thursday May 15th. Dry camping will be available. There's a flyer attached. There will be more information to come. Feel free to contact Jason Green at ducks2k@comcast.net or call (916) 716-6545.

*Take a look at the attached Calendar of events for more activities. For example:
Apr. 11-13, 2025 - California Antique Farm Equipment Show Tulare, CA
Apr. 25-26, 2025 - Red Bluff Gas-Up Branch 114 Tehama County Fair Grounds
Apr. 26, 2025 - Donovan Mill Museum Engine & Tractor Show – Branch 132*

Sadly, we have lost another member. Warren Berg passed away on March 8th at the age of 84. Warren was a long-time member of Branch 13. He was most

often seen displaying his tractors at the Rio Linda Farm & Tractor Days. At this moment the family has not said anything about funeral services, but if they become available, the information will be sent out. Our thoughts and prayers go out to his family at this difficult time.

So looking forward to a fun filled year. See you all soon!!!!

***If you do not wish to continue receiving information regarding upcoming events, please send me an e-mail and I will remove you from our list.
Thank you !!!***
