

Letter from the editor;

Hello Branch 13 members and friends!

I am glad to hear that many of the counties are now moving into the state's regulations for the RED tier. This means that there is a possibility of shows happening this year. This makes me happy for the future of our club since there are shows and swap-meets planned in the near future.

I realize this may be a lot to ask considering we are reliant on the government's regulations to host events; but I am asking everyone to please send in your club EDGETA dues to help maintain our insurance coverage. Without members, we cannot afford the insurance and that would mean no shows for the future. Our membership director is Deacon Van Derostyne and you'll find the membership form and address for dues at the end of this newsletter.

I also want to apologize for getting this letter out so late, but these Covid years have been the hardest for me, with creating online teaching and finding myself with almost no free time.

Thanks for the read and all your support.

Sincerely,

Cheryl Tsushima

Editor/ EDGE&TA Branch 13

Branch 13 - Early Day
Gas Engine and Tractor
Association Sacramento

Branch 13, in EDGE&TA, was founded in 1971 in Sacramento, CA. We pride ourselves on being among the best, with an annual show schedule that offers many activities, various locations, and opportunities for our active members.

Our branch newsletter, "The Chugger," published three – four times annually and is also available to non-members.

An application for membership must be completed and may be obtained at any of our events, or by contacting our Membership Director, Deacon Van Derostyne . Annual membership is good through April 14th of each year. Individual dues for principal members are \$35 per year which includes National membership and insurance. Dues for auxiliary (family) members or dual membership with another branch are \$27.00 ea., per year. Please send a check or money order to the Membership Director along with the enclosed application.
