

EDGE&TA Branch 13 Members, Families and Friends-

I hope that this message finds you all doing well. If you're like our family, we are eager and ready to have some fun sharing our tractors. I wanted to get out some information on upcoming events for the next few months.

We had a wonderful turnout for our Annual Meeting last Saturday. There were 30 adults in attendance. We discussed our upcoming events, received updates on each, enjoyed a delicious potluck and had a great time with our Raffle where we raised over \$166 for our Branch.

Next, we would like to introduce our newly elected Board Members. Starting from left to right.

Deacon VanDerostyne- Treasurer/Membership,  
Jason Green – Vice President, Bethany Linder – Editor,  
Jim Linder – President, Kimber Facino – Secretary,

Next, Branch 13 continues our long-standing tradition of participating in the Rio Linda Farm & Tractor Days. This year's event marks the 31th Anniversary. The fun runs May 15-16, 2026. As in the past we can begin setting up our displays on Thursday May 14th. Dry camping will be available. There's a flyer attached. There will be more information to come. Last but not least we'll leave you with a message from our New President Jim Linder

Hello, Branch 13 Friends and Families. I wanted to take a quick moment and introduce myself. I am Jim Linder. My wife Bethany and I have been married for 48 years this June. We have 2 adult children and four adorable grand kids. We are doing our best to pass on our love for vintage tractors on to the next generation. We have been members of Branch 13 for many years. You will most likely recognize us as the members with the three Allis Chalmers tractors and the Linder Family wagon. I got involved with tractors many years ago because of my father, who was a mechanic for Allis Chalmers. He in fact, helped me restore my very first tractor (the 1939 Allis Model B) over 20 years ago. My wife and I are looking to purchase a vintage engine that we can hook up to an ice cream maker. And of course, bring along to shows for some yummy treats to share. I look forward to personally meeting each of you at one of our upcoming shows.

By the way David Scott, one of our members is inviting those with engines to be part of the Second Annual American Legion Car Show on April 18th. The engines will need to be displayed on a trailer that can be parked in a parking space. You will need to park your truck in a parking space outside the show area. He is willing to set aside about 10 to 15 spaces for Branch 13 to use. He cannot provide a forklift to unload or load engines. If you are interested in or plan on attending, please contact David Scott at 417.380.4488.

Respectfully Submitted-  
Bethany Linder
