

VIDEO, ZOOM, APPS, INTERACTIVE APPROACHES

V. 2.0

Teaching DE and EVE courses may require significant use of video, Zoom, and even apps and programs external to Canvas. Each discipline has specific needs in terms of the content, form, and technological production required for such forms of technology. This guide provides an overview of the many LTCC Teaching & Learning resources focused on videos, Zoom, external apps, and interactive approaches. Click on any of the objects to be taken to the resource or video.
