

**FIREd by 50** helps people connect the key parts of their life—money, work, family, habits, and goals—to reach their full potential. The name comes from a common goal: becoming financially independent by age 50. It's a simple, powerful way to bring all life's influences into focus and move forward with purpose.

The FIREd by 50 **3 C Framework**

- Compound Interest
- Career Planning
- Continuous Process Improvement

The 3 C Framework establishes common terms so students and employees can assess an employer's FIREd by 50 culture.

The 3 Rs are Recruiting, Retention and Revenue. FIREd by 50 directly improves these areas...and many more.

**FIREd by 50** creates a flow from schools to employers and back to schools through recruiting.
