Further Information

- One Single stall (1 x 3m pop-up canopy stall) per trader, may be applied for. This is to ensure variety and fairness to everyone applying to trade. Double stalls and multiples are unavailable for Henley Street Summer Markets.
- All applications will be carefully vetted and all traders will be informed whether their products are accepted or not.
- It may be the case that we can accept your application for some of the Thursdays you have asked for, but not all. If this is the case we will make you an offer of which dates are available to you.
- Full payment must be made at the time of application. If we cannot accept you to trade for any reason, you will receive a refund in full.
- You will be working at an outdoor event which may be subject to unpredictable inclement UK weather and if the event is cancelled as a result, there will be no refund due or compensation paid due to loss of earnings.
- Being granted a stall, regardless of the location allocated to you, will not guarantee a high level of sales. You and your staff must take responsibility for display, the quality of the goods you sell, and your attitude towards customers, the event organiser & market staff, and fellow stall holders at all times.
