- All applications will be carefully vetted and all traders will be informed whether their products are accepted or not.
- Traders must attend and trade on both days between the times specified. Early closing is not an option.
- You will be working at an outdoor event which may be subject to unpredictable inclement UK weather and if the event is cancelled as a result, there will be no compensation paid due to loss of earnings.
- Being granted a stall, regardless of the location allocated to you, will not guarantee a high level of sales. You and your staff must take responsibility for display, the quality of the goods you sell, and your attitude towards customers, the event organiser & market staff, and fellow stall holders at all times.
