

RISK ASSESSMENT 2019

Please read this section which may help you to fill in your Risk Assessment information.

Please consider any risks that may be presented by your performance space at this event. There is a template below which you should fill in and return to us with the specific risks identified by you in relation to this event.

We have started off the risk assessment for you by including a sample entry for a common hazard to illustrate what is expected but if you have any questions, please call **01384 877336**

The types of hazards/problems which need to be covered are all general hazards which would lead to a possible injury.

Please rate your risk using the three standards Low, Medium and High listed below

RISK RATINGS

LOW RISK

No harm to property or people thus not requiring any medical treatment.

MEDIUM RISK

Could cause some damage to property or people who may then require First Aid treatment.

HIGH RISK

Could cause serious damage to property or people which could result in a doctor's medical assistance or a hospital visit.

Risk Assessment for The National Living Statue Championship 2019

Performer Name	
Name of person completing the Risk Assessment	

Please complete the below table with ALL risks identified as relating to your stall at this event

What are the hazards?	Who might be harmed and how?	Perceived level of risk	What will you do to manage this risk?	Action by whom?
