

## **\*2026 Sportsman Flat Kart Class Rules-**

**Ages: 12+ • Must have a Snell SA2020 or newer helmet!**

For 2026 we will adopt the OPEN / DIRTY TIRE RULE! Slicks or treads. No compound rule, make, or size rules. This will allow drivers for other areas to come and compete. (We feel this is the best option going forward for this class to grow and keep affordable).

**Absolutely NO Siping or Grooving of SLICK tires allowed!**

Tires MUST be DIRTY, DRY and NOT HEATED from a hot box when brought to the Hot Grid!

Tires cannot be taken into trailer or cleaned or ground or anything at all after hot laps. Tires may be marked by officials after hot laps.

**NO TIRE PREP OR HOT BOX OR HEATING OF TIRES ALLOWED AT ALL!**

MyLaps TRANSPONDERS and RACEIVERS are mandatory!

Transponders must be mounted on the lowest part of the steering shaft near the floor pan.

Cedar Lake style flat kart body and bumper rules apply

## **2026 Sportsman Class will be Briggs Animal LO206 Engine ONLY:**

### **• Briggs Animal LO206 Engine Rules:**

- 2020 Briggs LO206 engine rules apply, 6100 rev limiter, short slide, Spec pipe (RLV 5506 or RLV 5507) only and muffler required for this class
