

Seasonal Facials!

Pumpkin Enzyme Mask

Packed with pumpkin enzymes and botanical oils, this mask detoxifies pores, clears breakouts, and gently resurfaces the skin. It deeply hydrates and pampers while helping fade acne scars, dark spots, and signs of aging.

Brighten Up Vitamin C Mask

Deep Cleansing, Brightening, Hydrating, Anti Aging, Refreshing! Regular use helps to effectively resist oxidation and promotes refreshing facial skin. Organic turmeric can effectively eliminate oil and dark spots, thereby providing a smooth and healthy skin.

Warming Clay Detox Mask

Purify your skin with a clay mask that warms on contact for a facial detox. Rich in natural enzymes and humectants. Pomegranate stabilizes free radicals while cardamom and arnicas antioxidant and anti-inflammatory properties tone, soothe and heal.
