

We are building AMF Full Throttle 2026 into 1 of the biggest community fundraiser events of its kind in the Colorado Springs area, and I would love to have your business involved.

This weeklong event benefits American Military Family that supports veterans and first responders and is expected to draw between 1,000 and 5,000 participants. It is free for attendees, which gives us the reach to bring in a large crowd of riders, drivers, veterans, first responders, families, and supporters throughout the week.

The event launches June 21 at 8:00 AM at Pikes Peak Indian Motorcycles and continues throughout the week as participants visit official checkpoint businesses through the app. People can join after kickoff and still take part, which keeps traffic and visibility moving all week.

What makes this different for your business is simple. Participants have to physically come into your place of business. This is not just online exposure or logo placement. It is real foot traffic, real visibility, and real engagement with people coming through your doors as part of the event.

We also have thousands of dollars in giveaway items lined up for grand prize winners alone. Prizes do not require attendees to be present to win, which helps keep participation strong throughout the week.

The week ends with the AMF Full Throttle Final Rally at DCF Guns West, where the crowd comes together for the closeout, giveaways, sponsor recognition, food, music, and community engagement.

This gives businesses a chance to be seen by a large local audience while supporting a cause people care about. It is strong visibility, direct community connection, and a real opportunity to be part of something people will remember.

I would love to get your business involved. If you are interested, the contact information is below.

Thank you for considering it.

We are offering **2 sponsorship options.**

AMF Full Throttle Sponsor for \$750

Your logo on the main event banner at DCF Guns West during the final rally

Full app access

Physical cards for Sunday kickoff

Extra event visibility

Recognition across event materials and social promotion

Recognition during the final day program

Business Checkpoint Sponsor for \$500

Your business becomes an official checkpoint

Week-long visibility as riders and drivers visit stops

Recognition on event materials and promotion

For businesses that want stronger public exposure, the AMF Full Throttle Sponsor level puts your business right in the middle of the final rally atmosphere as the community gathers for food, prizes, sponsor recognition, and the event closeout at DCF Guns West.

This is more than logo placement. It is a chance to support a meaningful mission while putting your business in front of a strong local audience through an event built for engagement, repeat visibility, and community connection.
