

SATELLITE DISH AGREEMENT

I, _____, have requested installation of a satellite dish for my Condominium at _____.

1. Board approval is required before the installation of any satellite dish.
2. All costs for satellite dish installation shall be borne by the unit owner.
3. The satellite dish shall not be attached to the exterior of my unit. Nor shall any other item associated with my satellite dish be attached to the exterior of my unit.
4. The location of the satellite dish shall be on the backside of my condominium where it shall not be visible from the driveway. If this is not possible because of the direction the satellite needs to face, the satellite dish must be placed on the edge of the lawn or in the weeds where it shall not obstruct any of the landscaping or lawn care.
5. The satellite dish shall not be an obstruction to another resident's unit.
6. If any damage occurs to the building, lawn, landscaping, sprinkling system or any other underground system during installation, the owner must repair any and all damages and the owner shall cover all costs.
7. Any cable entering the house must enter below the siding.

My satellite dish will be located _____.

I have read and agree to comply with the above stipulations.
