Enrollment FAQ
2026-2027

When is my enrollment due? What fees are due at enrollment?

Re-enrollment for returning students is due **February 13th, 2026**, and re-enrollment will take place via Brightwheel. If you do not re-enroll by February 13th, your enrollment will be based on classroom availability. Your acceptance and supply fees are due upon signing your Enrollment Agreement, and are non-refundable.

Can I withdraw my enrollment before the school year starts?

Once your Enrollment Agreement is signed, you may withdraw your student at any time--however you will be responsible for tuition until your student's spot is filled by a new student per the agreement. Sometimes we have a waitlist and the spot will be filled immediately, however it is not guaranteed. Please read your Enrollment Agreement in full before signing.

What are all the fees for?

Acceptance fees are a deposit due at enrollment, and are deducted from your overall tuition cost. **Supply fees** are due at enrollment and cover the cost of replenishing, repairing, and replacing supplies and materials. **Snack fees** are due with the first month of tuition, and used for daily snacks in all programs. Supply fees and snack fees are calculated based on the number of days a student is enrolled. **All fees are non-refundable.**

I'd like to enroll my child for a number of days not listed (e.g. 4 days in Elementary). Is that an option?

The enrollment options available are based on what we've seen works best in each program, however if you have a request for a different enrollment option, please reach out to Katie Posten at billing@casadeimontessori.com for availability and fees.

Does Casa dei Montessori accept TN Education Freedom vouchers?

Casa dei Montessori is not eligible to accept TNEF vouchers this year, however we hope to be able to accept them next year should they be available. Parents will receive an email before re-enrollment in February of 2027 letting you know of our eligibility status.

I need documentation for reimbursement for my FSA/grant. Can Casa dei Montessori accommodate this?

Yes! We're happy to provide you with the documentation needed for your dependent care FSA or grant reimbursement. Invoices for tuition payments are available via Brightwheel, and you can request a tuition statement with a tax-ID from billing@casadeimontessori.com.
