Job Title:	Email Address:
Mailing Address:	Phone:
Highest Earned Degree:	Hours per week spent with neurodivergent children:
Preferred month of the year to attend the Educator Workshop:	

Please Note: Completing this workshop will finalize Level 2 of the 3 Level ESDM Training Process. Following completion of this 6-week workshop, you are then encouraged to apply for the ESDM Certification process (also offered under our Training Company) which will enable you to operate as a Certified ESDM Therapist and have your name / service listed on the UC Davis Website.

Once you have registered and paid for your course, you will receive the Course Agenda and Workshop handouts. **Full payment is due prior to workshop start date.**

NB: Reliable internet connection is essential for your full your participation in each zoom session

Required Reading/Materials: ESDM Clinical Manual for Professionals

Sally J. Rogers and Geraldine Dawson. (2010). *Early Start Denver Model for Young Children with Autism Promoting Language, Learning, and Engagement.*

Sally. J Rogers and Geraldine Dawson. (2010). *ESDM Curriculum Checklist for Young Children with Autism*

The Early Start Denver Model Curriculum Checklist for Young Children with Autism is used to comprehensively assess the skills of toddlers and preschoolers with autism spectrum disorder across multiple developmental domains and to establish individualized teaching objectives. Administered on entry and reviewed every 12 weeks, it is an essential component of the intervention program described in the authoritative manual, Early Start Denver Model for Young Children with Autism. Sold in sets of 15 ready-to-use booklets.
