ANNUAL SECURITY REPORT 2018

The Advanced Barber College Annual Security Report (ABC) is prepared by the Office Administrator of the (ABC) Campus Safety and Security Department, or his designee. It is a compilation of certain security policies and procedures and the previous three years crime statistics. The crime statistics are gathered from the law enforcement jurisdictions of our lone campus.

crime log statistics. (Weslaco Police Department and Hidalgo County Sheriffs Office).

JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT

This Federal Act requires that (ABC) distribute information regarding certain on-campus crimes to all current and potential students and employees. (ABC) is dedicated to the provision of a safe learning and working environment for all students and employees. This information is posted on the College Safety and Security website at ABCRGV.com

The Campus Safety & Security office coordinates the Silent Witness program. Silent Witness is a college-wide crime prevention program whereby all members of the College are encouraged to report suspicious or criminal activity to the Campus Safety & Security office and/ or the appropriate law enforcement agency. A victim or witness of a crime may report information anonymously to Campus Safety and Security via the Silent Witness form located on the public (ABC) website ABCRGV.com under the Campus Safety & Security tab

The College has no recognized fraternities or other off-campus student organizations and there are no records maintained on liquor, drugs or weapons violations by students associated with such organizations.

TIMELY WARNINGS (Regarding Clery Act crimes)

In the event that an on-campus or off-campus criminal event arises, that, in the judgment of the College President, Executive Vice President, Provost or the Director of Safety and Security, or his designee constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued by Campus Safety and Security personnel or an appropriate designee via numerous Emergency Notification Systems including the phone emergency notification speaker system, the Voice-Evac emergency notification speaker system, and through School Messenger emergency notification software, which includes telephone, email and text messaging to students, faculty and staff. Posters, pertaining to the criminal event may also be posted throughout the campus for further notification. Anyone with information possibly warranting a "timely warning" should report the circumstances to the Campus Safety & Security office, by telephone at the appropriate campus follows:

Information or reports can also be made at the Main Campus. With respect to the "timely reports" the Clery Act mandates for crimes considered a threat to other students and employees, that victims' names be withheld.

The content of the timely warning should include all information that would promote safety and that would aid in the prevention of similar crimes. The warning should include what crime occurred, where the crime happened, when it happened, and suspect information if possible.

EMERGENCY NOTIFICATION POLICY

It is imperative that a timely warning be issued, without delay, in the event of a Clery Act crime occurring within the campus Clery geography, if there is an immediate or continuing threat to students, employees or property. Emergency notification may also be given for non-Clery Act crimes if the crime poses a threat to persons or property. Whether or not to issue an emergency notification timely warning must be decided on a case-by-case basis. Considerations include the nature of the crime that was reported, the possible continuing danger to the campus community, and the possible risk of compromising law enforcement efforts.

Whenever possible, it is recommended that the College President, Executive Vice President, Provost, and Director of Campus Safety and Security (or his designee) meet to determine whether or not a timely warning should be issued. If this is not possible, the discretion is left to the Director of Campus Safety and Security or his designee.

Any Security Officer may issue the order to Lock Down, Evacuate, or Shelter in Place if the need arises. This would usually be initially accomplished via the Emergency Notification System (Phone) and/ or the Voice Evac System.

DISCLOSURE OF CRIME STATISTICS

The Department of Campus Safety and Security prepares the crime statistics report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This report is prepared in cooperation with the local law enforcement agencies surrounding our main campuses.

The past three years of crime statistics for each campus are listed at the end of this report.

Campus crime, arrest and student referral statistics (of a Clery nature) include those reported to the Department of Campus Safety and Security officials and law enforcement agencies. Those crimes used in compiling statistics include the following: murder, manslaughter, robbery, aggravated assault, burglary, motor vehicle theft, arson, liquor law violations, drug related violations (sale and possession), weapons law violations, forcible sex offenses, non-forcible sex offenses, hate crimes, domestic violence, dating violence, and stalking.

Each year, by October 1st, this report is provided to all current students.

DAILY CRIME/INCIDENT REPORT LOG

The (ABC) main office maintains a daily Crime/Incident Log. The log is available for inspection during normal business hours.

VOLUNTARY CONFIDENTIAL REPORTING OF CRIMES

If you are the victim of a crime and do not want to pursue action within the criminal justice system, you may still make a confidential report. With your permission, the Administration or a designee of (ABC) can file a report on the details of the incident without revealing your identity. A victim or witness of a crime may also report that information to Campus Safety and Security via the Silent Witness form located on the public (ABC) website at ABCRGV.com under the Campus Safety & Security tab. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the safety of yourself and others. With such information, the College can keep an accurate record of the number of incidents involving students, determine whether there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the College.

CONFIDENTIAL REPORTING – PASTORAL AND PROFESSIONAL COUNSELORS

At present the College does not have pastoral or professional counselors employed.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

ABC has in place four major categories of response to emergency situations. The four categories are as follows: (1) Lockdown, (2) Shelter in Place, (3) Evacuation, (4) All Clear. The procedures are defined as follows:

EMERGENCY PROCEDURES

Lockdown

In the event of a "Lockdown" order by the ABC Administration, the following immediate steps shall be taken:

1. Immediately get students inside the classroom.
2. Lock the door.
3. Calmly advise students of the "Lockdown" status and to follow instructions.
4. Sit students on the floor, against a wall, not visible from the classroom door or windows.
5. Close the blinds.

7. Do not open the door until an "All Clear" is given by administration or by police/security.

Shelter in Place

In the event of a "Shelter In Place" order by the ABC Administration, the following immediate steps shall be taken: (A "Shelter In Place" order is usually a weather-related issue.)

1. Immediately get students inside the classroom.
2. Check hallways for any other students/staff and get them inside also.
3. Faculty shall immediately and calmly communicate to their students that a "Shelter In Place" order has been initiated by the ABC Administration
4. After accounting for all students in attendance, faculty will lead students in an orderly manner to inner perimeter rooms, offices, bathrooms or hallway that affords additional protection from extreme weather, winds, flying glass or debris. If you are already in a room that is safe, stay there.
5. Faculty shall advise students and any other personnel in their charge to move away from any exterior windows. Stay in place until an "All Clear" is given by administration or by police/security.

Evacuation

In the event of an "Evacuation" order by the ABC Administration, the following immediate steps shall be taken:

1. Faculty will immediately advise students and any other personnel in their charge that an "Evacuation Order" has been issued. Faculty will advise students to calmly and quietly proceed to designated exits without running or shouting.
2. Depending on the threat or emergency situation, students should be instructed to evacuate at least 300 feet from the building.
3. Do not block or gather in parking lots. Emergency vehicles will need those areas. Stay in place until an "All Clear" is given by administration or by police/security.

All Clear

In the event of an "All Clear" order by the SJR State Administration, the following immediate steps shall be taken:

Faculty shall advise students and any other personnel in their charge of the current "All Clear" status ordered by the ABC Administration. Doors should be unlocked and normal operating procedures should be implemented unless otherwise directed by administration or by police/security.

EMERGENCY DRILLS, TESTING AND EVACUATION PROCEDURES

ABC Administration will schedule annual drills to test the Emergency Procedures.

The Emergency Response Procedures are published on the College website and also are within the Annual Security Report. An email reminder is sent to all College personnel in reference to upcoming drills, along with a reminder of the procedures.

Each drill/test/evaluation of the Emergency Response Procedures is documented (date, time, and description) and kept in the Institutional Effectiveness Plan by the Director of Campus Safety and Security.

SECURITY AND ACCESS TO COLLEGE FACILITIES

During business hours the College will be open to students, parents, employees, contractors, guests, and invitees. Full time personnel are issued keys to their assigned areas. The unlocking of certain rooms, during business hours, may require the assistance of ABC Administration. After business hours, all of the campus doors will be secured by keyed locks. During non-business hours, access to all College facilities is by key, if issued, or by admittance via Administration. Those requiring admittance, after hours, will have arranged prior authorization from the proper authority, to do so. Certain areas may be accessed after hours by authorized staff. ABC does not have on-campus student housing at this time. 2017

Pathways, sidewalks, stairwells and hallways are routinely checked by Security and Facilities personnel to insure proper lighting and no unforeseen obstructions.

AUTHORITY OF CAMPUS SECURITY

There is no written memorandum of understanding between the College and the law enforcement agencies. All crime victims and witnesses are strongly encouraged to immediately report crimes to ABC Administration and the appropriate law enforcement agency. Prompt reporting of crimes will assure timely warning notices and timely disclosure of crime statistics. Criminal incidents that occur in close proximity to our campuses are communicated regularly to Administration.

SECURITY AWARENESS

The Administration office provides security procedures and information during new student orientation. Security procedures and security information are also provided during ABC's yearly faculty and staff orientation. Primary crime prevention and awareness programs, which promote awareness of rape (sexual battery), acquaintance rape, domestic violence, dating violence, sexual assault, and stalking are offered to new students and new employees. The ABC Administration, in conjunction with local law enforcement personnel also offers crime prevention and safety/security awareness procedures programs upon request to students and employees. These programs are geared toward personal safety, theft prevention, CPR and Automatic External Defibrillator (AED) training. We also encourage both students and employees to be aware of their responsibility for their own security and the security of others.

When time is of the essence, concerning an immediate threat, information is released to the College community through the various ABC Emergency Notification Systems.

Bystander Intervention

If you see a crime in progress, notify ABC Administration and call 911 as soon as possible. If it is not safe to personally intervene, continue to describe the incident to the 911 operator and describe exactly what you are witnessing and the location of the crime. The 911 operator will ask you questions regarding description of the suspect; if you see any weapon; information regarding the victim and possible injuries. If it is safe to do so, yell in a loud voice that the police have been called and they are responding. You may also call for help in a loud voice to let the perpetrator know that someone is observing what is happening. Be careful not to put yourself in harm's way. Approach the victim if safe to do so and provide aid and assistance until law enforcement or medical authorities arrive. Provide all information you know about the crime to the responding officer(s).

ABC ALCOHOL & DRUG NOTIFICATION

ABC is committed to providing an environment that enhances and supports student success. The academic community, including faculty, administrators, staff and students, has the collective responsibility to ensure that this environment is conducive to the student's development. The illegal use of harmful and addictive chemical substances poses a threat to the educational environment. Thus, in accordance with the Drug Free Schools and Communication Act Amendments of 1989, it is necessary to inform the College community of the harmful and addictive potential associated with the use of drugs, the incompatibility of illegal drugs with the educational mission of ABC, and the consequences of the use, possession, manufacture or sale of such drugs. ABC Board of Trustees Rules outlines the accepted code of conduct for students and employees. The code, as documented in the student handbook and college catalog, includes the following:

- Any act or behavior on the part of the student or employee that tends to interfere with or otherwise disturb the orderly conduct, processes, functions and/or interests of the College is prohibited.
- Possession of alcoholic beverages or illegal drugs is prohibited on college property with the exception of alcohol served at officially sponsored college events.
- Any student, or employee, found to have used, possessed, or distributed a narcotic or other controlled substances, except as permitted by law, or used, possessed, or distributed any alcoholic beverage except as expressly permitted by law and college regulation, or public intoxication shall be subject to disciplinary sanctions, including, but not limited to suspension, probation, expulsion or termination. The College may also make a referral to legal authorities for appropriate actions.

For more information on penalties and dangers of drug use, go online at: www.dea.gov.

As a public institution whose mission is to foster human potential, ABC believes it is important to understand the health risks and other detrimental consequences associated with drug and alcohol abuse. The use of illicit drugs and the abuse of alcohol pose serious risks to one's health. Side effects include the symptoms of dilated pupils, elevated body temperature, increased heart rate, and increased blood pressure, impairment of judgment and mental functions, and loss of control and coordination. If ingested by a pregnant woman or nursing mother, these drugs pose serious risks to the health of fetuses and nursing infants, up to and including death.

ABC has partnered with Texas Tropical Health Care to provide confidential Assistance Program services, a resource to assist students with drug and alcohol issues or information. Texas Tropical provides support through in-person counseling, 24/7 telephone support, and connection to community resources. Online services providing numerous articles and informative sources regarding drug education are also available.

TOBACCO USE POLICY

The College is now a tobacco free campus. The use of all forms of tobacco and smoking, including cigarettes, loose-leaf tobacco, snuff and electronic devices is prohibited. The tobacco-free policy will apply to all campus properties, walkways, sidewalks and parking lots, as well as personal vehicles in these areas and includes the removal of designated smoking areas.
