Update Packet #7 Week of 7/6 - 7/11

Hi Team!

With the increasing number of Covid-19 in our community, it is imperative that we do everything and anything to keep our students safe while they are here at our academy. Please make sure to follow the following Rules and Guidelines to keep everyone safe:

- Anyone who is sick or been around anyone who is sick, may not enter the academy.
- We are maximizing social distancing. Each student is training more than 6ft apart from their classmates, in their own area with their own free standing or heavy bag that only they use.
- Bags are disinfected after every use. Common surfaces are cleaned after each class. Mats are mopped several times a day with disinfectant that is know to destroy the Corona family of viruses.
- All students are still required to use hand sanitizer before class & After Class.
- Masks are being worn by all students ages 10+ per local and state orders. (Please see page 3 for more info)
- We still have pass by times to allow maximize social distancing. Please wait in your cars till the last class has exited before coming in. Please wait 6ft apart while you get hand sanitizer.
- Our Lobby is still closed to spectators meaning only Students and Coaches are allowed in. If you have any questions or need to contact us, currently Email is the quickest way at chostkdcopperfield@gmail.com or by direct messaging us on social media.

We are constantly monitoring the situation and go over all data being presented to make sure we are doing our best to make informed decisions about the best way to keep our students safe. If it becomes apparent that we need to make any adjustments, we will make announcements on our social media pages and email newsletter (links to all can be found on page 2). Again, our number one priority is always our students safety and we thank everyone for being patient and understanding while we work our way through this.)

We are covering the exact same material in both classes just trying to balance the class sizes. We also asking Adult students with teens to train in the Adult Class together instead of the teen class. Thank you for your corporation.

How Classes are being run in Masks,

As many of you know, last week Harris County issued an order that requires everyone ages 10+ to wear a mask in all business unless they have a preexisting condition. Because of this, all students are required to wear a mask while at the academy meaning that we had to change how we run classes.

Instead of our normal “Go, go, go pace” we have switched to letting the students train at whatever pace they can while still safely wearing a mask. We have also increased the number of breaks students get to keep them safe. Finally we are leaning more on “instruction time” having active discussions about concepts and theories in martial arts.

All of this is to help students train safely. Our students safety is always our number one priority and we believe that we can get through this together with the above precautions.

Updated Membership Agreement and Liability Waiver

The student / guardian understands that the results of training can be prone to various types of physical injury or illness and hereby fully release and discharge Cho's Tae Kwon Do Center, its owners, instructors, employees, assistants, students, affiliates, and any of their representatives or permitted persons from any and all liability.

The School agrees to provide the students with lessons in martial arts on a scheduled basis established by the School, each lesson to be approximately 45 minutes in duration unless otherwise specified.

The school class schedule may be modified at the discretion of the school for holidays, tournaments, exams, and other events or emergencies. The school shall give prior notice for any days off or modifications to the schedule where possible.

It is understood that the student is responsible for membership payments whether or not the student attends classes. The student further understands that failure to complete the lessons does not relieve the student of the obligations to pay the tuition that is due.

The students understands that strict observations of the rules and regulations relative to training include the use of protective equipment required by the school. All protective gear that is used

must be purchased at the school and outside equipment is not allowed or permitted. If the student wishes to participate in activities that require additional equipment, the equipment must be purchased at the school.

The School does not warranty equipment and the student further agrees to waive any claims of damages against the school and / or its principals or its instructors in any case resulting from the activity.

The name of students and any photographs and / or motion pictures taken during the school activities may be used for promotional purposes including posting to social media sites.

The parties agree that the tuition payments made to the school cover the cost of the group class lessons. All other events, equipment, and / or activities are not covered with the monthly tuition or this document and remain the responsibility of the student. All other costs can be found at the school.

The student agrees to refrain from using the knowledge obtained from the school in the martial arts with or without compensation. A student must not work or train or own a school for a distance of no less than 50 miles in all directions from any Cho's Tae Kwon Do School locations.

The student agrees to pay for their first month tuition at time of signing. Tuition will be collected monthly until a 31 day written notice is give to the school. A 31 written day notice must be given to place any account on hold or to cancel a membership. Once your 31 written notice is given to our office, the following billing cycle will be your last full paying month.

Thank You Everyone!

Your Continued support of our Academy and understanding as we try our best to work our way through these very chaotic times means the world to us. Our Number 1 priority, as always, is the safety of our students and with your help I believe we can achieve this. Work Hard, Have Fun, and I'll See Everyone On The Mats.
