Your recipe includes  
a dash of electricity

Electricity is an ingredient you won't find in any recipe book. But without it, many of our favorite dishes wouldn't be possible.

When you are baking and cooking to prepare your fair entries, remember that your electric cooperative is bringing a powerful value to your kitchen – each and every day.

**Dear Fair Friends,**

The Fair Board is excited to welcome you to the 2026 Clearwater County Fair – the best little fair in Minnesota!

We are proud of our community that annually comes together to exhibit the finest agricultural products, animal displays and youth development exhibits.

We encourage you to participate in the fair by entering exhibits in as many divisions as you can and to invite friends and family to do the same. The collective community participation and engagement is what makes our fair such an outstanding family experience.

You can expect another impressive line-up of Grandstand events, free entertainment and quality food stands eager to deliver the fair foods and snacks we all enjoy so much.

Our free-gate fair continues to be possible because of the strong community commitment and support and the carnival again will honor a one-ticket-for-ride opportunity.

**We look forward to seeing you at the  
Clearwater County Fair
