What do the “Kindness Rocks” daily episodes discuss?

DAY #1

- Answers the question ‘How do I **ROCK** kindness?’
- **R**= Respect
- **O**=Others and Ourselves
- **C**=Children Care
- **K**=Kindness we take it everywhere

DAY #2

- Kindness lifts us “**UP**”.
- Unkindness stinks “**PU**”.
- When you get it backward you know that this is true, unkind behavior is a big “**PU**”.
- When you do your best and you try to get it right, kindness lifts us “**UP**” and that is out of sight.

DAY #3

- The world is not black and white.
- Things change, including the way we communicate.
- Social media is a way some people communicate.
- Labels are for **SOUP** cans, not people.
- **SO** use your words, thoughts, and actions to lift **UP**.

- **SO** lift **UP**, don't tear down spread the kindness all around.
- The need for **Kindness** in our world never changes.
- **Kindness** always matters and makes a difference!

DAY #4

- Music is a Universal language and so is **Kindness**.
- Music has many styles and genres. / People are also unique and different.
- A piano has black and white keys. It takes all the keys to make beautiful music. /All people have to work together to make the world more beautiful.
- We use our ears to listen to music. / We use our ears to listen and hear what people are trying to communicate to us.
- Not everyone likes the same kind of music. / We do not always have to agree with people but we always try to practice polite kind behavior.
- If you do or say something unkind, stop and think and then REWIND.
- Learning to apologize is an important step to being a kind person.

DAY #5

- Life is not a game but it can be a lot of fun.
- Every game has rules. / Life also has rules.
- In soccer the object of the game is to score a goal. / Everyday sharing **Kindness** can be our goal.
- In the game chess you must have a strategy. / To be kind we must think ahead.
- To be good at any game it requires practice. / **Kindness** requires practice.

How do I use the **Kindness** Activity Guides?
