## Gel Plate Printing – Simple and Fun!

**Instructor:** Donna Moore  
**Medium:** Gel Plate Printing  
**When:** Friday, June 27, 2025 – 10:00 am – 4:00 pm  
**Location:** Franklin Square Gallery  
130 E West Street  
Southport, NC 28461  
**Cost:** \$110  
**Artisan Members:** \$100  
(\$15 supply fee payable to instructor)

Create one-of-a-kind prints using small gel plates and stamp pads. Using plant life, stencils, and texture making tools produce your own personalized prints. Layer colors and patterns for surprise designs that will motivate you to make print after print.

**Donna Moore** has been an active teaching artist and administrator since graduating from UNCW Creative Arts Department in 1981. Most recognized for her expressive figurative drawings, she also explores a variety of techniques including cyanotype, collage/mixed media, mono-printing, and responsive drawing. She currently teaches at BCC/Southport Center, Osher Lifelong Learning Institute/UNCW, and the Museum School/Cameron Art Museum.
