Please select the category that you feel best reflects the work you are submitting for jurying. The jury committee will make the final determination on the assigned category. Most category choices are obvious, but with the addition of Home Decor, I've provided a few examples for clarification.

HD- HOME DECOR. This category includes many items that previously would have been in the Miscellaneous category, such as coasters, vases, mugs with art prints (not pottery), candle holders, centerpieces, magnets, soap dishes, square boxes, and crosses etc. There are other items (that you probably know them when you see them) that would also qualify but the above list is a starting point.
