## CDL State Examiner Partner Packet

Thank you for your interest in partnering with Gorgeous TruckHers Inc. We are a certified CDL State Examiner service, providing schools, carriers, and training providers with fast, fair, and FMCSA-compliant CDL skills testing. This packet outlines our services, process, and requirements for partnership.

### Who We Serve

- CDL Schools and Academies
- Private Training Providers
- Carriers & Fleet Hiring Programs
- Organizations seeking reliable third-party CDL testing

### What We Do

- On-site CDL skills testing: pre-trip, basic control, and road test
- Scheduling & coordination tailored to your program needs
- Documentation and timely reporting aligned with FMCSA standards
- Audit-ready compliance support

### Why Partner With Us

- 23+ years of transportation, CDL instruction, and compliance expertise
- Professional, consistent testing standards
- Clear communication & dependable scheduling
- Respectful and student-focused approach

### Our Process

Step	Description
1. Inquiry	Share your test dates, cohort size, and location.
2. Set-Up	We confirm site requirements and availability.
3. Test Day	We conduct CDL skills testing at your site.
4. Wrap-Up	We provide timely documentation and reporting.

### Partner Requirements

- Provide an FMCSA-compliant and safe testing location
- Ensure test vehicles are road-ready and meet state standards
- Schedule testing at least 2–3 weeks in advance (rush options may be available)
- Confirm student/driver eligibility for CDL testing

Service Area

Florida; ask about adjacent regions and recurring monthly test days.
