The Board of Directors would like to thank the citizens of Monroe County for supporting our organization through these difficult economic times. We hope you find this annual report informative of how the resources are distributed that are entrusted to us.

We believe in working together to achieve the possibilities that exist when our collective attention is directed to the problems that need to be solved with our partner agencies. Our organization is fortunate to have partner agencies that work tirelessly to bring change to our community.

We are thankful to be a part of this organization working toward creating lasting change and permanent solutions to the problems our community faces.

Agencies

United Way of Monroe County works to provide solutions for public and private issues that our community faces. We offer the community what no other entity, organization, governmental body, or institution can; a way for citizens to join with others to identify issues that matter most to people in need, develop a plan and get results.

Happiness springs from doing good and helping others.

In our 3rd year of having Project R.E.D United Way and our volunteers were able to give 13 homes much needed improvements.

PROJECT R.E.D.

Repairs for Elderly and Disabled

Everyone needs a little help sometimes, even the jolly man in the red suit. That's where Santa's Helper comes in.

Santa's Helper is a program coordinated by the United Way of Monroe County to provide a complete Christmas for the underprivileged children that are in any of our schools in Monroe County.

This year, Santa's Helper gave assistance to 657 children within a four week time.

Thank You For Being a Santa's Helper
