

Dear community of Sts. Peter and Paul Catholic School,

It is with great honor and joy that I write to you as your new principal for the 2019-2020 academic year. As a proud panther alumni, former parent, teacher, and administrator, I understand the role each of us plays in the formation of our children. We must all remain united to empower and enable our students' academic and spiritual educational needs while facing the challenges of the 21<sup>st</sup> century.

It is by no mistake that Sts. Peter and Paul has had many successes over almost 8 decades. As a family of faith, we have overcome challenges and celebrated our traditions with great panther pride. With our traditions and our history, we are fortunate to have many people, past and present, who continue serving and partnering with us to help future generations actively live and learn the gospel message knowing that Sts. Peter and Paul is a foundation that will remain grounded in the teachings of the Roman Catholic Church.

As a new school year is upon us, excitement and enthusiasm are all around! We all share the hope that this school year will bring outstanding achievement in education, in community spirit, and in affirming our faith in God and in one another.

I want to welcome you all and assure you that all of us are here for the same goal, to bring up the children of God in a happy and nurturing community of faith. I also want to thank all of you for entrusting me to serve as your new principal, I am excited and humbled to lead Sts. Peter and Paul Catholic school for many years to come.

Sincerely,

*Mrs. Zlatkin, Ed.S.*
