

# ARCHDIOCESE OF MIAMI

DEPARTMENT OF SCHOOLS  
SUPERINTENDENT

April 17, 2020

TO ALL THE PARENTS

Dear Parents,

Please know that all of your families are in our prayers during these changing times. It is difficult to plan when things continue to change.

We have heard from parents, principals, and teachers on the “new normal” which requires all of us to plan, review, and adjust.

The last day of school for the Archdiocese of Miami is **June 3, 2020**. As of today, April 17, students will continue with the virtual learning through June 3 to complete the 2019-20 school year. Please note that we are following the state updates daily. If things change, you will be notified immediately.

May the peace and the blessings of the risen Lord be with each of us as we continue to form a new vision of excellence for Catholic schools in the Archdiocese of Miami.

Please continue to be safe.
