Reliability & Responsibility

Responsibility and reliability provide a sense of purpose as well as help create a positive environment for yourself and those around you.

Things you can do to be responsible and reliable are:

- Stick to plans and commitments once they have been arranged
- Try to be less dependant on others and organise yourself
- Be accountable for yourself and your actions
- Be punctual and respect other people's time
- Clean up after yourself without being asked

Exciting News!

We are thrilled to announce that we have now moved to our brand new **Bridge the Gap Malvern premises** in Great Malvern. This is a safe and inviting space, including a chill out area to **relax, play games** and **listen to music**, a workstation to support **learning** and studying, and facilities to develop skills such as **cooking** and doing **laundry**.

Our new address is: 7 Edith Walk, Malvern, WR14 4QH.

Your transition coordinator will arrange an opportunity for you to visit our new premises if this is something you would like to do.

Parent/Carer Questionnaire

Receiving feedback is really helpful so that we can recognise what we are doing well, and work on areas that may have room for improvement.

Enclosed is a **questionnaire**, with an envelope, to be returned to the Head of Centre. This can be completed confidentially if you wish. Thank you for your assistance with this.

Mental health & Wellbeing

Our **Bridge the Gap Malvern website** contains helpful mental health and wellbeing resources for students and families.
