Monthly Fleet Maintenance Program

On-site · Normal or After-hours · Fleet-focused vehicle care

Program Overview

This program is designed to reduce downtime, prevent unexpected breakdowns, and keep your vehicles reliable and job-ready. All inspections and services are performed on-site for maximum convenience.

Included Monthly Services (per vehicle)

- Brake inspection and measurement
- Suspension, steering, and undercarriage inspection
- Battery and charging system test
- Computer diagnostics and fault code scan
- Fluid level and condition check, fill washer fluid
- Tire condition and pressure check
- Lighting and safety inspection
- Digital or written condition report

Not Included (billed separately)

Major repairs, PM services (oil changes/LOF-beyond the included/free LOF), brake jobs, parts, emergency roadside service, and corrective repairs identified during inspections. Program members receive priority scheduling and discounted labor rates.

Pricing

- **Small fleets (1–5 vehicles):** \$100 per vehicle / month
- **Medium fleets (6–15 vehicles):** \$85 per vehicle / month
- **Large fleets (15+ vehicles):** Custom pricing available

Program Terms

Quarterly agreement (Includes 1 free standard LOF per quarter per vehicle) · 30-day cancellation notice
· Payment is due monthly for the quarterly agreement.
