Monthly Trailer Maintenance Program

On-Site • Normal or After-Hours • Fleet-Focused

Program Overview

MotorMedic Mobile Repair LLC provides a structured monthly maintenance program for utility, enclosed, flatbed, dump, equipment, and specialty trailers. Services are performed on-site during normal/after hours to reduce downtime and keep your fleet safe, reliable, and DOT-ready.

What's Included

- Brake inspection & adjustment
- Wheel bearing play/noise inspection
- Light & wiring inspection
- Tire condition & pressure check
- Suspension & frame visual inspection
- DOT-style safety inspection

Service Details

- Monthly on-site trailer inspections
- Fleet or individual trailers
- Trailer inspection report provided
- Minor adjustments included
- Parts and major repairs billed separately

Contract Terms

- Quarterly service agreement
- No minimum number of trailers
- Flexible scheduling
- Payment due per agreement terms

Pricing

Pricing varies based on trailer type and quantity. Contact us to discuss your needs and receive a custom quote. Pair this with your monthly vehicle inspections and save money.
