Subject: 2019 Home Design and Remodeling Expo

Plans are well underway for the 2019 Home Design and Remodeling Expo with many new and exciting features to be added. Building on the tremendous success of last years show, the exhibit floor space will be increased to accommodate the waiting list of last year. The Expo will be held again at beautiful Sawmill Creek Resort, in Huron Ohio. The dates for the show are April 12, 13 and 14th. Just in time for the big spring rush to beautify the home. Make your plans to attend now.

In order to accommodate our vendors of last year, we are offering a chance to secure your booth space at last years price with a deposit of \$100.00 before January 1, 2019. After January 1st the cost of a booth will increase by \$100.00 and will be made available on a first come first served basis. Last year for the first time in years we had a waiting list of 8 vendors that we were not able accommodate. Our show is fast becoming the most popular and successful Home Expo in the region. We urge you to act fast and be part of our 2019 Home Expo.

We can cite many reasons for your attendance at this show, but you know how important it is to be able to meet your old customers and prospective clients in an area of common interest while they are in a buying mode. This show provides you an immediate opportunity to do just that. The \$500.00 for a 10' X 10' booth is a great bargain in relationship to the cost of competing shows. People come to our show to buy, not just to kick the tires. Sawmill Creek again will offer a special room rate of 90.00 for all vendors who wish to make it a weekend away from home.

Please review the inserts with this letter that outline the other features and benefits of your participation and the reserve early and save \$100.00.

On behalf of the Board of Directors of The Erie County Home Builders Association, I want to thank you for your support and look forward to a very prosperous show.
