This impressive property is an harmonic balance between tradition and innovation

Borgo Egnazia is located in Savelletri di Fasano, where the hills of the Itria Valley gently fall away to the Adriatic Sea, and the property itself is inspired by the shapes, materials and colours of a typical Puglian village. This authenticity was conceived to bring a fresh and original feel that is called 'nowhere else'.

Our **concierge** is at your service to help you discover or rediscover the best places in Le Marais. We invite you to check out our ["Hot-List" of the best addresses in Le Marais](#), which we would be delighted to book for you.

As previously mentioned by Damien, the original Maison Souquet reservation who read us, will be cancelled.

We are eagerly counting down the days until your arrival. In the meantime, we wish you a wonderful day and remain at your complete disposal for any additional requests.

Thank you for your diligence. To recap, I accidentally made reservations at separate hotels, one executive suite at Maison Proust and five De Luxe rooms at Maison Souquet. I do not see a comparable room to the Executive Suite at Maison Souquet. I think therefore we should move the five De Luxe rooms at Maison Souquet over to Maison Proust. Please advise next steps and apologies for the confusion I created.
