Hi Eric,

Thank you for your payment! I'm looking forward to meeting you.

We will meet in front of the Berlin Wall at 11:30 on 26.07.2026. I'll be there waiting for you, and to help you find the exact spot, here's a link to the location on Google Maps: <https://goo.gl/maps/WsqdzsNXC2xREccR7>. It would be great if you could check the travel time on Google Maps beforehand to ensure we all arrive on time.

If you're coming by taxi, Uber, or car, I recommend giving your driver the following address: Bernauer Str. 50, 10435 Berlin. Once you arrive, you can then use the Google Maps link above to find the meeting point.

I'll be wearing a grey trousers, but please feel free to contact me via WhatsApp or give me a call once you're there so we can easily find each other. You can reach me at +49 177 6277221.

In case of rain, we'll reschedule if necessary. However, in all the years we've been offering this workshop, we've never had to cancel.

If you're bringing kids, please let me know how many so I can bring gloves for them.

The workshop typically lasts around 1.5 hours, depending on the group.

If you have any further questions, don't hesitate to email or text me. I'm happy to assist.

Looking forward to seeing you soon!

Best regards,

Sylvain

Hi Eric,

We offer two payment methods:

- Standard bank transfer

Please take into account that if you are located outside the European Union, international transfer fees may be applied by your bank. We kindly invite you to check this with your financial institution and ensure that all transaction costs are covered on your end, so that the exact total amount stated on the invoice is received in full by us.

- Credit card payment

At the moment, we do not offer direct credit card payment on our website. However, we can provide a secure payment link through an external operator (Stripe.com). Please note that Stripe charges a 5% transaction fee, which would be added to your invoice.

If this option works better for you, I will be happy to send you the payment link. Otherwise, you are of course welcome to proceed with the standard bank transfer.

Please let me know which payment method you prefer. Once confirmed, we will send you the invoice. After payment is received, your booking will be officially confirmed.

Kind regards,

Sylvain

Hi Eric,

Thank you for reaching out! I'm delighted to assist you and hope I can provide the information you need.

We would be more than happy to organize a graffiti workshop for you. The typical duration of the workshop is around 1.5 hours, but we can easily adjust this to suit your preferences.

We usually meet at [Mauerpark](#), where part of the original Berlin Wall still stands. This is the wall you will be painting on. The workshop begins with an introduction to graffiti culture, providing a space for discussion and questions that go beyond what you might find in books. Together, we'll decide what you want to paint on the wall, whether it's a word, phrase, expression, or slogan of your choice. I will outline it on the wall, and from there, I'll guide you through how to use the spray paints, how to make your graffiti look nice, step by step, ensuring your graffiti looks its best!

Once the artwork is complete, we'll capture the moment with a group photo in front of your Graffiti on the historic Berlin Wall.

For groups of 6 people, the price of the workshop is €249 in total. This includes the workshop itself, all necessary materials, and edited photographs from the event ([as you can see here on our website](#)), which will be sent to you the following day.

If you have any further questions or special requests for your workshop, feel free to check our FAQ ([available here](#)), or reach out to me directly by email or text at +49 177 6277221. I'd be more than happy to assist.

Wishing you a great day ahead!

Best regards,
Sylvain
