Spending Onboard

When deciding which credit/debit card to associate with your SeaPass onboard spending account, keep in mind that temporary holds or authorizations may be placed on it. While not actual charges, holds will reduce available funds. Most are released within 3 - 5 days after your cruise, but some may take up to 30 days. Contact your card issuer to remove any holds after your cruise. If the form of payment on your onboard account was changed, prior holds will remain on the original card until final charges are submitted at the end of the cruise.

Royal Caribbean Group Visa Signature Cardholders can link their card to SeaPass account to earn double rewards points during the sailing. Learn more [here](#).
