**The Heart of the Community Award**

recognizes individuals for their outstanding service and demonstrated involvement in the development and implementation of opportunities for the youth of our communities.

Proceeds support the Scouting Program as well as the SPARK Initiative (Scouting Program for At Risk Kids) bringing the program to youth in underserved areas. SCC Scouting America has provided the premier character education program to youth in our community for over 100 years! Through the values of the Scout Oath & Law, the Scouting Program helps to build strong character, foster community engagement & develop leadership skills needed for the successful future of our youth.
