## COTEE RIVER BREWING COMPANY...

Cotee River Brewing Company was born from the love of the Pithlachascotee River (Cotee River for short) that runs directly through our town, our obsession with creating great tasting and unique local beer, and a desire to share our love of our craft and our area with others who have yet to experience both.

The Craft Beer industry is unique and many brewers are finding new and interesting ways to add their local flair to their brews. In addition to our own brews on tap, our taproom and brewery also showcases "guest taps" so our guests can enjoy a well rounded variety of other local craft beers.

## OUR AFFILIATIONS...

Cotee River Brewing Company is proud to be a member of the Florida Brewers Guild and the Brewers Association.

Through these memberships, we are able to stay up-to-date on the latest happenings in the craft beer industry, as well as develop key relationships with other breweries and industry leaders.
